Lambert	Faux Calligraphy	Faux calligraphy is a technique of using any kind of pen to imitate the look of modern calligraphy.
Long	Drum Club	Drumming was one of the very first ways in which human beings expressed themselves musically. This MUSTang Time proposition seeks to bring the art of drumming to a wider variety of students on our campus. This course will seek to show students how to properly hold a pair of drumsticks and use them to create music out of everyday objects, including but not limited to buckets, pots and pans, and coffee cans. The course will also cover some fairly elementary reading of music.
Matura - Facilitator	Youth Group	Youth Group will focus on serving our school community by engaging, equipping and empowering students to unite, inspire, and change our world through Christian fellowship. Student led.
Mosley	STEP	
Nikolovski	Traditional Japanese Karate	Shorinjiryu (Shao-Lin) Karate is a broad system of a martial art with elements based on a strong influence from Okinawan Karate, as well as Aikijujutsu, Judo, and various Okinawan, and Japanese weapons arts. Practice methods focus on unifying mind, technique and body through a scientific and dynamic approach to combat. The practitioners gain confidence, self-discipline, integrity and respect.

Teacher	Course	Course Description
Ramirez	Rock On: The History of Rock & Roll	Come join us for a journey into sound that will lead us through the creation and evolution of one of America's greatest musical exports – Rock & Roll. We'll start with the beginning influences of rhythm & blues, gospel, and country music of the 1950's. After that, we will dive into each subsequent decade and listen to how Rock & Roll evolved and changed with the times. Be prepared to listen to many samples and watch many performances of rock's greatest artists over the years. Also, you will have an opportunity to share examples from your personal favorite rock artists, so start giving that some thought now!
Saunders	From Start to Cosplay	Students will learn to story board, conceptualize, pattern, and create a piece of a cosplay costume.
