Color Assignment

Color the wheel below. Start with RED at the top. fill in the rest of the primary colors in their proper places. Add the secondary colors. Fill in the tertiary (intermediate) colors

Color the boxes using a **monochromatic** color scheme.

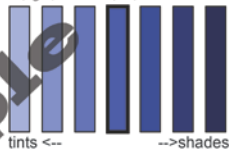

"Sample" each of the boxes on the left. Open the foreground color & choose a more **intense** hue of the same color. Paint the right-hand box the brighter color.

Color the boxes below using neutral (achromatic) colors.

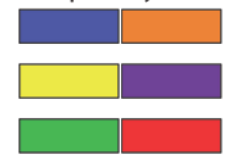

Fill the center rectangle with a **primary** color of your choice. Fill the remaining rectangles with shades (right) and tints (left) of that color.

Color the boxes using an **analogous** color scheme.

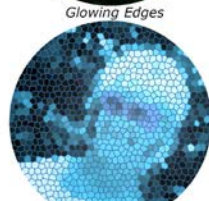

Color the boxes using **complementary** colors.
