*Mustang Families,*

*We wanted to update our community on a few campus policies and procedures:*

**Cell Phones:**

- In classrooms teachers will implement the Green/Red cell phone signs with fidelity. When on Green, students can use their phones for instructional purposes ONLY. When on Red, students are not to have their phones out for any reason.
- Students who do not abide by the Green/Red cell phone signs, and misuse their electronic device, will have the opportunity to correct the behavior. If the student fails to comply, he/she will receive an office referral and a consequence that could negatively impact their exemption status and participation in campus activities including clubs/organizations, athletics and other UIL activities.

**Restroom Usage:**

- If a student needs to use the restroom during class time, they must turn in their cell phone in exchange for a pass from the teacher. Failure to comply will result in an office referral and the same consequences listed above.

**Fighting:**

- Anyone who creates a safety concern and engages in a fight on campus will receive an automatic ALC placement and receive a citation from LCISD Police for Disorderly Conduct.

**Recording Fights:**

- Anyone who records a fight and distributes via Airdrop, text messaging, social media, showing others, etc. will receive an automatic ALC placement for a Major Campus Disruption as it interferes with the learning environment.

*We appreciate your support ensuring our campus runs efficiently where academics is our focus, as well as the safety and security of our students and faculty.*
